Co-operation between the Parent/Guardian of students with special educational needs and the Board of Management/School is essential to ensure that appropriate facilities are allocated and in place for September. In some instances it may be necessary for the Board of Management or the Principal, acting on its behalf, to defer enrolment of a particular child pending receipt of assessment, reports and/or the provision of the appropriate resources by the Department of Education & Science, to meet the particular special educational needs of the student. In the event of such a deferral, the Principal on behalf of the Board of Management will attempt to liaise with the parents/guardians and keep them informed of any / all progress being made.

Enrolment Criteria;

The school, subject to the limitations in this policy supports the principles of:

- Inclusiveness particularly with reference to enrolment of children with a disability or other special educational needs;
- Equality of access and participation in the school;
- Parental choice in relation to enrolment;
- Respect for diversity of values, beliefs, traditions, languages and ways of life in society;
- Openness, accountability and transparency

Equality of access and participation is the key value that determines the enrolment of pupils in our school. No child is refused admission for reasons of ethnicity, special education needs, disability, language/accents, gender, traveller status or religious political beliefs and values.

Our school works on the principle that it caters primarily for children from its own community. If we receive more enrolment applications than we can cater for, the following selection procedure is implemented:

- (a) Pupils from primary schools within our catchment area, i.e our school being the nearest post-primary centre for school transport purposes.
- (b) Siblings and step-siblings resident at the same address of a current pupil
- (c) In the matter of applications from students who are either refugees or asylum seekers, the Board of Management acts in accordance with the policy developed by the IVEA representing the 33 VECs.
