

Calling all 1st and 2nd Year Students!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Garraí Glas

Kitchen Garden Competition

What must I do?

Create a small garden-NOW is a good time to start.

🌻 It will be judged over the summer.

🌻 There will be prizes for the best gardens.

🌻 Prizes for the tallest Sunflower!

Watch this space for ideas ,hints and tips.

Start planning and working now! Go n-éirí libh!

Garraí Glas

Kitchen Garden

Project

Some ideas to get you started-

- ***Get an adult to help you decide where your garden will be, and how big it will be.***
- *Get an adult to help you make some 'raised beds'. This will make it easier for looking after for you.*
- *Decide what you would like to plant.*
- *Suggestions-a variety of lettuces, spring onions, carrots, a few potatoes if you have a lot of space, parsley, etc.*
- *Some flowers can be planted also eg. French marigolds, nasturtiums and sweet peas.*
- ***THESE CAN BE PLANTED STRAIGHT AWAY.***
- *Some plants can be planted indoors on a warm window with plenty of light, and then planted out later out the end of May when all fear of frost is over.*

Note-French Marigolds must be started off indoors now, and put outside later. Also Sunflowers, and many other varieties.

- ***YOU CAN GET IDEAS FOR PLANTING .AND PLANTS(!) IN THE GARDEN CENTRE. GO AND HAVE A LOOK.***

Get started now, and get planting!
